A big **THANK YOU** to everyone for helping out, as you always do – it is VERY much appreciated by Jean and me.

WARDEN & SIDESPERSONS REQUIRED: We are now quite thin on the ground with sidespeople. Do you know anyone who would be willing to help out? It's normally only 1 Sunday per month. Also, are you willing to step up as Warden (or even Deputy Warden) – or know someone who would? It's not difficult, plus the more people there are the easier it is for everyone. Please let Jean know.

A MESSAGE FROM STEVE: As you all know, I have had to step down as Warden due to work and family commitments – however, you will still see me around (maybe even in an emergency Warden role every now and then!). I'd just like to say the BIGGEST thank you possible to all of you and also all the past wardens/sidespeople for everyone's help and support over the past 6 years. You have all been fantastic to work with and it has been a real pleasure doing all those services with each and every one of you.
